We represent a new paradigm in quality, aesthetics and performance in the Home Entertainment Industry with the highest values in integrated designs for our Esteemed clients.

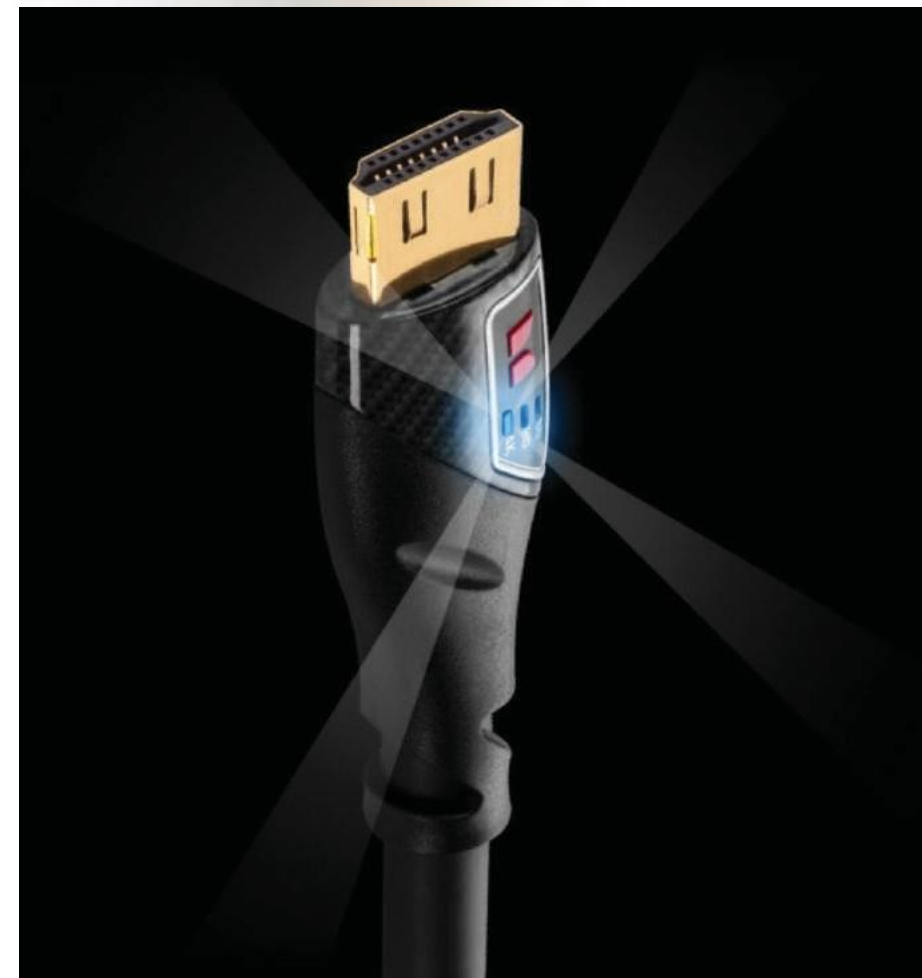

Focal has been creating benchmark acoustic equipment since 1979 for various high fidelity markets such as home audio speakers, headphones, car speakers and drivers monitoring loudspeakers.

Core businesses: Speaker drivers and high-fidelity loudspeakers.

Our historic core values are based on the union of technology, mechanics, noble materials and designs. We are constantly pushing the limits of sound to offer you with a truly unique listening experience.

# MONSTER®

Monster has been leading the way with innovation in Headphones, Speakers, HDMI Cables, and Power Solutions for nearly about four decades.

Head Monster Noel Lee, an entrepreneurial icon in the audio and music industries, has worked with some of the world's finest musicians and professionals. He started Monster Cable & Monster Power 38 years ago in a San Francisco garage with 567 patents.

Noel has made milestones in design, comfort, and performance with successes like Beats by Dr. Dre. Monster has now moved beyond the status quo, trailblazing with even higher-performance headphones and speakers starring Pure Monster Sound®, which Noel personally designs and tunes himself. Why ? To bring in Creativity and Innovation, because ultimately Music Matters.

AK INTERNATIONAL  
Audio Video Distribution

Naim Audio is a British hi-fi manufacturer based in Wiltshire, United Kingdom. The company was founded in 1973.

Every Naim product is conceived, designed and engineered entirely in service of the sound, revealing a pure experience of music that is as close as possible to its original live source.

We believe that the exploration of sound is an adventure that rewards you with a clarity and connection that becomes more powerful the deeper you travel within it. Which is why, every element within our systems is crafted to create a silence around the sound, reducing any interference between you and the intention of the artist.

## DEDICATED HOME THEATER

AK INTERNATIONAL, thoughtfully and elegantly proportioned to your needs, is dedicated for your Home Cinema to be designed in Harmonious & Luxurious balance, resulting in optical and acoustical privacy.

We bring for you State-of-art Technology featuring top of the brands with in-line speakers, dynamic surround sound and projection systems, which are integrated & beautifully contoured to the Space, engineered to perfection.

Whether small intimate or grandiose, AK INTERNATIONAL combines innovation with comfort & style in Home Theater designs to celebrate the cinematic experience the Customer desires.

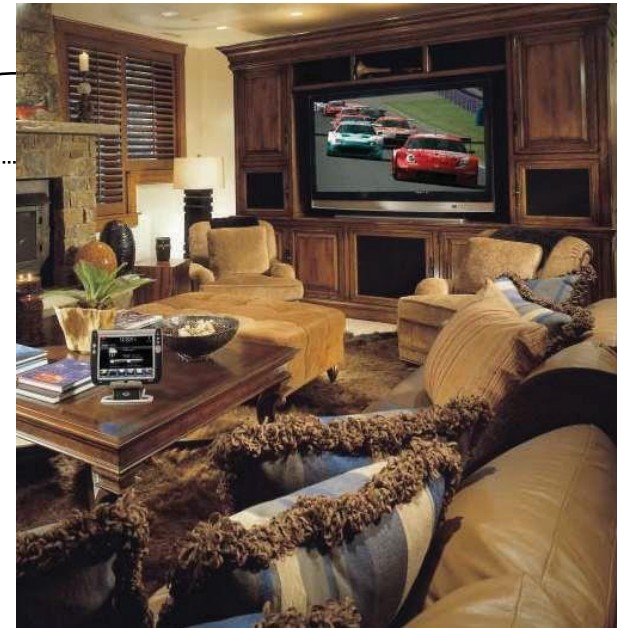

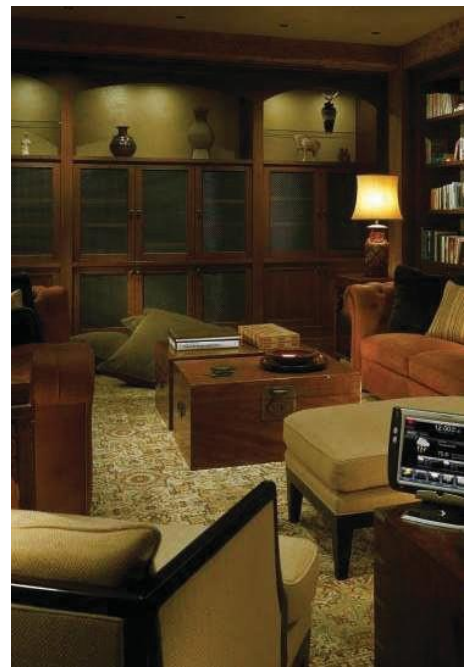

## MULTI-USE MEDIA ROOMS

AK INTERNATIONAL combines art and form to allow you to transform any room in your home to a state-of-the-art Media center. One touch of an intuitive touch panel reveals the screen and projector, room lighting fades, shades lower and surround sound is activated.

Decorative and Architectural integrity is preserved as electronics return to their hidden compartments when the fun is over. It helps us to deliver exceptional and versatile space of comfort, beauty and electronic superiority at its best.

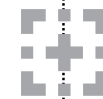

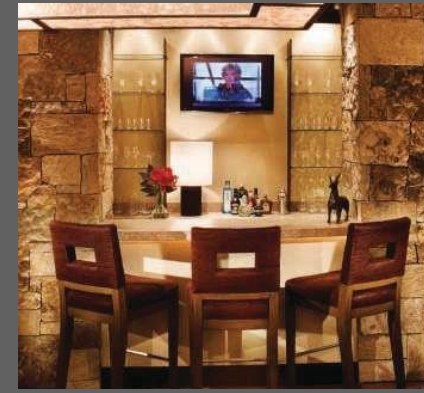

## AUDIO AND VIDEO SYSTEMS

AK INTERNATIONAL awakens the senses of your Home, enriching its design with complex yet dynamic audio and video systems.

The highest quality speakers, custom configured and positioned for exceptional listening pleasure, in the interior spaces. Individual room controls allow for diverse listening tastes.

Televisions appear only when you need them. Flat panel on uniquely designed mounts allow you to effortlessly position the screen for optimal viewing from anywhere in the room.

Your movie server, custom music server, Blu-Ray player, satellite and internet radio and other equipment is carefully harnessed inconspicuously while still functionally accessible via AK INTERNATIONAL's intuitive control system.
